

# Hertie Coding Club

## Kick-off event:

### (Re) Introduction to

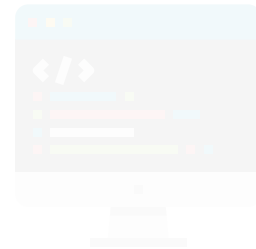

We want you to know how to code and develop programming skills for your future job, project, or research.

Hertie School  
FORUM.

### First session of the club:

-  Presentation of the club.
-  Objectives.
-  Information for other sessions.
-  Set Slack and GitHub for our workflow.
-  Introduction to the R interface.

Friday  
November 4th  
2:00 pm to 4:00 pm

**And remember:** ¡everybody can code!

Fill out the survey and join the club! We will be happy to have you :)

What you need in your computer:

Don't worry:  
we will explain how to  
install and use it

R and Rstudio

Slack

GitHub desktop

Taught by: Jorge Roa. MDS 2024.
